Ice Monitors

RRFSC is still in need of ice monitors for Monday & Friday sessions leading up to Keystones. Please sign up at <http://www.signupgenius.com/go/20f044badaf2aa64-rrfsc1>. Remember, all members (or their parent/family member) must monitor at least one hour of ice each skating year. As a bonus, you/your skater will receive 1/2 an hour of ice free for every hour you monitor. No experience required, plus you get a fun view of the skating!

Good Luck Skaters!

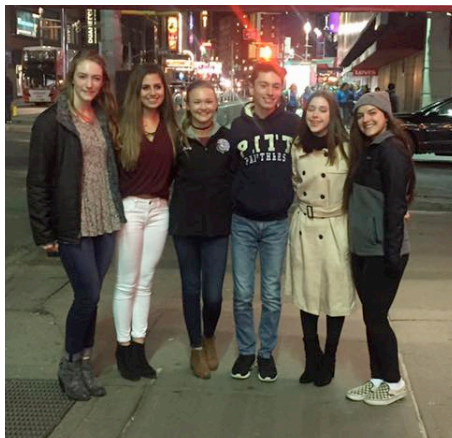

Five of our RRFSC adult skaters will be competing at the 2017 Eastern Adult Sectionals on March 10th-12th! Many RRFSC skaters will be also be competing at the 2017 Keystone State Games on March 18th & 19th. RRFSC has brought home a 2nd place club trophy from this event for the past three years! Good luck to all skaters competing in March!
