### **Ice Rules**

1. Skaters should make every effort to avoid collisions. Skaters should use caution and be aware of other skaters at all times, especially tots. Parents of tots and beginner/low level skaters should ensure that their child practices safely.
2. Low-level skaters should try and stay as close to the boards as possible when not in a lesson or running a program. This is for the safety of all skaters.
3. Skaters taking a private lesson have the right-of-way. Every effort should be made to stay out of the way of skaters doing their program with music. Skaters should not, however, expect to perform their program without interruptions on the ice.
4. All skaters and coaches must adhere to the stated freestyle ice level regulations.
5. Skaters and parents may not interrupt another skating lesson.
6. Parents must refrain from coaching their skater from the doorways or sides of the ice during freestyle sessions.
7. Only coaches, skaters, and ice monitors are allowed in the Visitor/Home hockey boxes and music area during freestyle sessions. All skating members will be required to be an ice monitor for one hour during the course of the skating year.
8. The use of any portable audio device is prohibited by all skaters.
9. If there is a crowd of 10 or more skaters, skaters must follow the posted ice rules regarding running of programs in and out of a lesson. This typically occurs in the weeks prior to competitions and test sessions.
10. Many freestyle moves require space. Extra caution and common sense should be used by the skater to ensure adequate clearance when doing these moves.
11. There should be no "loitering" on the ice. If you wish to have a conversation with a friend, please remove yourselves from the ice.
12. Possession of and/or consumption of alcohol or illegal drugs is strictly prohibited.
13. On the ice, skaters must not: Kick, stomp feet or drag toes, stand, sit or lie in one spot, curse or use inappropriate language, race or play tag (unless instructed by a coach during group lessons), chew gum, smoke, throw objects, sit on boards, use a cell phone, eat or drink while skating (drinks being kept on the boards is acceptable)

## **RED ROSE FIGURE SKATING CLUB**

### **Ice Rules (Continued)**

14. Skaters and parents not wearing ice skates are prohibited from being on the ice during a freestyle session. (Coaches carry their own liability insurance covering this.)
  
15. The fundamental rules of courtesy, good sportsmanship and common sense apply at all times. The first infraction of a rule, skaters will be issued a warning. The second infraction, skaters will be asked to leave the ice for the session. Should a concern arise, skaters must speak to their own coach first and then to the monitor or Skating Director. The monitor or member of the RRFSC coaching staff has the authority to correct those violating the rules. The Board reserves the right to enforce such discipline as it deems necessary for the safety and well-being of other skaters.

### **Drop Off Policy**

In the interest of ensuring the safety and supervision of our skaters, both on and off the ice, the following drop-off policy will be enforced for all skaters under the age of 18 when participating in any RRFSC sponsored programs and freestyle ice sessions:

1. Skaters under the age of 12 may NOT be dropped off at the rink without a parent or other responsible adult accompanying them. This is in no way meant to prevent parents of younger skaters from forming car pools, or arranging with one another for the care of their skaters; however, a responsible adult must remain at the rink at ALL times with skaters under the age of 12.
2. Skaters from age 12 through 15 may be dropped off at the rink provided that a parent (or another responsible adult authorized by the parent) signs the skater in and out in the warm room. A drop-off log will be kept alongside the ice time sign-in sheet for this purpose. Parents are not to drop-off or pick-up skaters in front of the rink, but must enter the building to sign their skater(s) in and out. When signing in, the parent/responsible adult must leave a contact phone number at which they can be reached during the time that the skater will be at the rink. Parents are also asked to provide an approximate pick-up time, so that the adults/coaches remaining at the rink know when to expect their return, and can contact them should all adults/coaches need to leave the rink prior to the expected pick-up time.
3. Skaters from age 16 through 18 (many of whom drive themselves to the rink) need not be accompanied into the building by a parent or other adult, but may sign themselves in and out on the drop-off log. These skaters must also provide a contact number at which their parent can be reached during the time that the skater will be at the rink.
4. No skater should be dropped off if his or her coach is the only adult present in the building. In order to safeguard our coaches, as well as our skaters, a second coach or another non-skating adult must be present for skaters to be dropped off.
5. A skater's drop-off privileges will be revoked should that skater remain at the rink without a ride on three separate occasions at the end of any scheduled ice time or activity and/or when all other adults are ready to leave the building.

Please keep in mind that this drop-off policy relies on the good will and cooperation of all club members. It is expected that parents will remain at the rink with their skater(s) whenever possible. At the same time, we wish to provide parents who cannot stay, or who need to run occasional errands or to care for other children, the freedom to do so. Obviously, all coaches, parents, and other adults at the rink will do whatever they can to assist a skater who has been dropped off, should the need arise. However, parents must remember that these adults cannot be expected to continuously watch skaters who have been dropped off, nor do they assume full responsibility for these skaters.
